No C. 2273 d. 2.9.29

1) Recommends that the Military officers deputed to give musketry training to officers be given some allowances and enquires whether it is intended to charge any fees for the training.

2) (1) Levy of fees

The training was arranged purely in ~~the interests of~~ public interests and it is for orders whether any fee need be levied. The officers are undergoing the course in addition to their normal duties and even if a fee is to be levied it has perhaps to be met by ~~Separate~~ Govt.

(2) Remuneration to Military officers.

3) When the Chief Comdt was consulted in connection with the starting of the classes he did not say anything about this matter and the point was not raised. It is for orders now. The Chief Comdt. suggests a fixed lumpsum remuneration for each officer trained.

4) (3) Cost of ammunition

Rs. 104-6-0 has been spent on this

11) I would suggest that officers of and above the grade of Asst Comdts may be charged Rs. 20 for the whole course & officers below that grade Rs. 10. Out of the realisations, the cost of the ammunition may be credited & that the balance distributed to the officers & men employed in the course in proportion to their pay. This may be given retrospective effect.

Chief Commandant,

To

R. Ranga Rao, Esqr., B.A., B.L,
Officiating Chief Secretary to the Government of His Highness the maharaja of Mysore, Bangalore,

SIR,

In continuation of my letter No.C. 2273/28-29 dated 27-8-1929, I have the honour to state that the Commandant, Mysore Lancers, solicits orders on the following points in connection with the Musketry Training of the Civil Officers:-

1. The Musketry Course, 1st batch, extended over a period of six weeks. No fees have been fixed in respect of the special course of instructions imparted. Whether it is the intention of Government to fix any scale of fees for this course and if so, if the fees will have to be recovered from the individual officer or the Department concerned, may be decided.

2. One officer and some Non Commissioned Officers instructors had to be detailed to train the 1st batch of 16 officers and the Instructors have not been remunerated for this extra work which is quite unconnected with their Regimental duties. It is very reasonable that they should be given an extra allowance for this duty and I recommend that a fixed remuneration for each Civil Officer trained completely may be sanctioned for distribution among the instructors.

3. Ammunition worth Rs 104-6-0 has been spent in training this batch of 16 officers. As this is not an item of expenditure debitable to the Military Budget, I request that the head of the Budget from which the cost is to be met may be kindly decided.

As Government Order No. 4560-71/C.B. 189-27-20 dated 22-[illegible]

sanctioning this scheme contains no instructions on the above points, I request that very early orders of Government may be kindly obtained in the matter.
